Old Business

Minutes from the November meeting were unanimously approved.

Issues Reviewed:

- **Seneca Ridge Entrance Sign:** Interest was expressed in pursuing installation of the Seneca Ridge development sign. This issue will be brought up to John Brewer, Principal of the new Dominion High School to get his feedback. Changing the original sign design from brick & mortars to one of a less permanent nature (example; the sign for Seneca Chase) maybe an option to satisfy VDOT ? Will discuss again at next meeting.

New Business

Officer and Committee Reports:

- **Common Grounds:** Bob Sherfy reported that there were some downed trees on the bike path between Trail Ridge and Seneca Ridge, however upon last inspection, someone had removed them. Thanks to that unknown person.

Board President: Gregg Carter was unanimously voted in to serve as President for the 2003 term. Thank you for stepping up Gregg!!!

Seneca Ridge Directory: The sample directory was reviewed and approved for print. Bob Sherfy got numerous bids from various printing companies. (Thanks for all the work you did on that Bob!) A company was chosen for quality and price (approx. \$350.00). The directories will be printed and sent out with the January dues notices. (Second week of January.)

Street Parking: Concern was raised over the issue of parking on the street. In some areas it's difficult to "maneuver" through the streets with vehicles parked on either side, however, some families have more that two vehicles and have no where else to park. Board members will check covenant. This issue remains open.

Guest Issues: No issues brought forth.

Respectfully submitted,
Lorrie Bender, Secretary
